

CHOICES SIDE FOR YOUNG ADULT MALE/YOUNG BOY

MAN

Oh you think I can't. You think I'm going to fail. Just because you gave up, just because you quit, just because you got scared and ran doesn't mean that will be my story. You doubted yourself, didn't believe in yourself, you let people tell you that you would never be anything, that you'd never amount to anything. You believed those lies. You believed their lies more than you believed the truth, the truth that you were smart, that you were strong and that you were created to succeed. Man that was you, I'm smarter than that. I know who I am, I'm not going to let anyone put me in a box, no one's going to dictate my future. I won't let your failure keep me down, I won't let your negativity hold me back. I am me. I am my own person, with my own dreams. I have my own drive, my own motivation. I will make it. I will do what I am setting out to do. I won't make your mistakes. I am not perfect, I will make mistakes but they will be my own. They will help me grow, they will push me forward. They will not stop me. YOU will not stop me. I am me. I am my own person. I. Will. SUCCEED.
